### EGG AND HEN CALCULATOR

Each hen lays approximately 6 eggs per week. To help you estimate how many hens you can help live cage-free, use the calculation below:

Number of whole eggs used **per week:**   $\div 6 =$   Number of hens you can help live cage-free.

(This information is also used for the cage-free egg counter on the Choose Wisely website)

## EGG COMMITMENT

When will you start using cage-free eggs?                    /                    /

Cage-free egg brand/supplier: \_\_\_\_\_

What Choose Wisely level are you joining?

- GOLD**      Using cage-free eggs in all food made and served on the premises, including sauces.
- SILVER**     Using cage-free eggs in all items made on the premises, although we may serve products made elsewhere that contain cage eggs.
- BRONZE**    Using cage-free eggs in all items made with whole eggs on the premises, although products made with powdered or liquid eggs and products made elsewhere using cage eggs may be served.

## PORK COMMITMENT

When will you start using free range or bred free range pork?                    /                    /

Free range or bred free range pork brand/supplier: \_\_\_\_\_

What Choose Wisely level are you joining?

- GOLD**      Using free range or bred free range pork in all food made and served on the premises, including sauces.
- SILVER**     Using free range or bred free range pork in all items made on the premises, although we may serve products made elsewhere that contain non free range pork.

## CHICKEN COMMITMENT

When will you start using free range chicken?                    /                    /

Free range chicken brand/supplier: \_\_\_\_\_

What Choose Wisely level are you joining?

- GOLD**      Using free range chicken in all food made and served on the premises, including sauces.
- SILVER**     Using free range chicken in all items made on the premises, although we may serve products made elsewhere that contain non free range chicken.

## COMMITMENT TO CHOOSE WISELY

I agree to participate in the RSPCA Choose Wisely initiative by using the products as outlined above.

Signed: \_\_\_\_\_ Date: \_\_\_\_\_
